# INVITATION

You're Invited

*As budgets are cut and finances get tight for organizations, conferences have become more essential. Conferences have become THE opportunity for professionals to network and find workable solutions to problems facing their industry.*

*Conferences are not an expense to be trimmed. They are the No. 1 resource for individuals to get information that moves their organization forward.*

The Kansas Pest Control Spring Conference and Exhibition provides a unique opportunity for peer networking and educational opportunities. Those attending the conference represent all sectors: government, private industry, non-profit, educational institutions, and many others. The KPCA Conference and Exhibition serves as one of the biggest gatherings of pest control professionals in Kansas, as well as those directly and indirectly involved in these efforts. This is an opportunity to exchange ideas with others from across the country, talk to decision-makers, learn of new opportunities and fulfill your continuing education requirements.

**We are excited with our lineup this year! The educational opportunities provided offer up-to-date information you need to know and will offer you effective tips on how to improve your efforts.**

**This conference offers the opportunity to complete all of your 7a, 7e and 3b requirements. You can also get your CORE requirement!** The Kansas Department of Agriculture has approved all of these courses, and so has the state of Missouri.

Each year we also offer the opportunity to attend our Poker Event. All the proceeds benefit the KPCA Scholarship Foundation, and there are prizes to be won!

The 2012 Spring Conference and Exhibition wants to ensure your time is well-spent and your experience provides you with information you can use.

# CONFERENCE AGENDA

We are excited with our lineup! We have selected topics based on issues that matter right now to the pest control industry.

We are also proud to offer you the opportunity to meet with exhibitors; attend our Thursday evening Poker Event.

A complete conference schedule and program will be posted in the coming weeks.

Thursday's schedule will run approximately 7:30 a.m. to 5 and Friday will run 7:30 a.m. to 4 p.m. The Management Session will begin after lunch on Friday afternoon.

**We want to ensure that you learn and have opportunities to network with peers, producers, manufacturers, government officials and others!**
