785.633.0912 kansaspest@yahoo.com

Active Membership

Membership with all voting rights & benefits of membership, including discounted rates to events, free resources and access to exclusive content.

Associate Membership

All benefits of Active membership plus 1 registration to the KPCA Annual Conference in Kansas City **OR** Wichita; free attendance for all employees at *designated* training & education events.

Leader Membership

All benefits of Active membership plus 2 registrations to the KPCA Annual Conference in Kansas City **OR** Wichita; free attendance for all employees at *designated* regional training and education events; special recognition on website.

Partner Membership

All benefits of Active membership plus 2 registrations to the KPCA Conference in Kansas City **AND** 2 registrations to the Conference in Wichita; free attendance for all employees at *designated* regional training & education event; special recognition on website and e-newsletters; special recognition in the Annual Conference program; 1 registration to one session of Master Tech.

Employee Membership/Retirees

For a company that joins and would like additional individuals within the company to have certain rights, receive information directly, and participate on Committees. Often utilized by companies with multiple owners, family members within the company or additional management. Any former pest professional retired but would still like to be active can also join at this rate.

Individual Membership

This is for a registered technician or applicator in a company, whose company is not a member. This cannot be used in place of an active membership, if you are the business license holder. It does provide all the benefits of membership.

Student Membership

A student membership is a student regularly enrolled in an institution of higher learning, majoring in or studying biological or agricultural sciences. A student member may not hold a DPR license. Student members receive all active benefits except: right to vote or holding office in the association.
